CLUB MARKING OF REFEREES

Overall control and decision-making.

The mark must reflect the referee's overall level of control accuracy of decision-making and management of and communication with players. When deciding on a mark consideration should be given to such aspects of the referee's performance as: impartiality, confidence, fitness, positioning, signalling, use of advantage, handling of major incidents.

A mark between 91 and 100 would be regarded as 'excellent'
A mark between 71 and 80 would represent the standard expected.
Our club awards an overall mark of out of 100

When awarding a mark of 60 or less an explanation must be provided in the box below to the league with comments which could help the referee improve future performances.

(Signed)**……..**(Secretary)
